Gates: 'Microsoft created the PC industry'

Jo Best contends that M$ built the pc industry. Gates surely agrees and stated as much during that interview with Peter Jennings reported here [2] a few days ago. Best offers reasons for this opinion and the comments...

are heating up over at silicon.com [3]. I quote one snippet [4], "MS did not create the PC industry. What bs!" Some even include some historical facts and/or trivia. Entertaining at least. 😀
