IN JUNE 2004 Tux Machines was registered, which makes this site nearly a decade and a half old. Running this site is more than a full-time job; it's not just a hobby but more like a 24/7 duty, not even with holidays or weekends off. But as long as people find the site useful, it makes all the work worthwhile. Rianne and I will keep refreshing our RSS feeds and keep this site abreast of the news. [?](#)
