- [Open-source office software suites for the enterprise that can rival MS Office 2019](#) [3]

The global market size of open-source services is expected to grow from \$11.40 billion in 2017 to \$32.95 billion by 2022, according to a report by MarketsandMarkets published in February.

- [LibreOffice 6.1.2 packages available](#) [4]

The Document Foundation announced version 6.1.2 of their office suite last week. Today, new LibreOffice packages for Slackware 14.2 and -current are done compiling and available in my repository.
