# Give Ubuntu a Bold New Look with the Qogir Theme

By *Roy Schestowitz*

Created *15/06/2019 - 2:19am*

Submitted by Roy Schestowitz on Saturday 15th of June 2019 02:19:11 AM Filed under [GNOME](#) [1] [Ubuntu](#) [2]

The background imagery in the Nautilus file manager (the effect also apparently works with Nemo, but I haven't tested it) is the most visually striking element in the Qogir theme.

It's a love it/hate it gimmick, which explains why it's rarely used. Personally I enjoy the visual flourish it adds (though it certainly helps if your desktop wallpaper compliments it).
