- [Librem 5 Batch FAQ](#) [2]

We have been getting a lot of questions related to our announcement of the Librem 5 shipping schedule. Here, we will post the answers to some frequently asked questions, and update this document as new questions come in.

- [Anyone Can Build This Open Source, DRM-Free Kindle Alternative](#) [3]

It's harder to get an open source e-reader than you might think. Kindles are popular, but they lock you into Amazon's ecosystem. Amazon's books come with digital rights protection and the company can remove them from your device whenever it wants. Those problems exist on tablets from Barnes and Nobles, Google, and Apple, too. When it comes to open source reading, there's just no good options. The Open Book Project wants to change that.
