This year the FreeBSD Foundation is celebrating its 20th anniversary. To commemorate those years of dedication to open source, we are going to take a look at the history of FreeBSD and what exactly the FreeBSD Foundation does. Join me, won’t you?

Unix first appeared when God delivered the source code to the chosen people after they had fled Egypt. Okay, maybe that’s not exactly how that happened (but I’m sure a few greybeards think that is how it happened.).
