Krita 4.4.1 Released

By Rianne Schestowitz
Created 29/10/2020 - 10:44am

Despite an extra-long beta period during which we got awesome feedback from our community, 4.4.0 was released with several regressions, that is, bugs that weren’t present in 4.3.0. So today we’re releasing Krita 4.4.1 with the following fixes...
