Some of the most commonly visited websites powered by OpenResty include Tumblr, Firefox Monitor, Basecamp and a few adult video sites. The 36.6 million domains powered by OpenResty are served from just 81,900 computers.

*Bing Features Pirated 'YTS' Movies and Even Finds Some on YouTube* [4]

Increasingly, homepages of popular pirate sites are disappearing from search engines. In some cases, however, search engines help pirate brands to stand out. Bing, for example, highlights YTS movies with a fancy poster reel and it even manages to spot some full-length pirate releases on YouTube and the Internet Archive.
