As I am not a user of Ubuntu (although I was in times of 4.10 and 5.04), I don't care that much of it, however I feel in a special mood today, so I'll made up a list of...

The Advantages of Ubuntu ? from a non-user point of view:

- * When a Ubuntu user complains about some problem, you can proudly say: "Well, my Debian box is much more stable."
- * With such an important community, new flamewar perspectives exist: "Ubuntu versus ".
- * Hey, at least it's Linux!
