I have an announcement to make: me and Andrew are leaving [Expert Zone](#) [2]. I am appointed as the Managing Editor of OSNews.com, and Andrew as editor. This means that from now on, there will be no more updates on Expert Zone. The site will remain up, but not more than that. It's been a fun 6 months, but the opportunity that presented itself was something we could not let pass by. I hope we will see you all on OSNews from now on. Thanks for the support!
