- [New Release: Tor Browser 11.0a2](#) [2]

Tor Browser 11.0a2 is now available from the Tor Browser download page and also from our distribution directory.

Note: This is an alpha release, an experimental version for users who want to help us test new features. For everyone else, we recommend downloading the latest stable Windows/macOS/Linux or Android release instead.

- [New Release: Tor Browser 10.5.3 \(Android\)](#) [3]

Tor Browser 10.5.3 is now available from the Tor Browser download page and also from our distribution directory.

This version updates Firefox to 90.1.1. This version includes important security updates to Firefox.

- [Introducing Joseph Cuevas ? The Mozilla Support Blog](#) [4]

Please join me to welcome Joseph Cuevas (Joe) as part of the Customer Experience team and the broader SUMO family. Joe is going to be working as an Operations Manager specifically to build a premium customer experience for current and future Mozilla's paid products.
