[LHS Episode #421: YOTA Camp Deep Dive | Linux in the Ham Shack](#) [3]

Hello and welcome to Episode 421 of Linux in the Ham Shack. In this episode, the hosts interview Neil Rapp, WB2VPG, coordinator of the IARU Region 2 YOTA camp and Peter Lafreniere, N8JPL, one of the youth participants. The topics include an in-depth look at what the campers experienced, events held, challenges faced, and the future of the event. We hope you enjoy this interview and deep and have a great week until the next time we meet.

[Full Review: The new InfinityBook Pro 14 Linux Notebook from Tuxedo Computers](#) [5]

Tuxedo sent over their InfinityBook Pro 14 Linux notebook to the studio for me to review, and in this video, I'll give you my thoughts. And it very well might have the best screen from any notebook I've ever reviewed.
