- **GNU World Order 442 [3]**
  The **f** and **k** software series of Slackware: Linux FAQ and the Linux kernel.

- **Not All Linux Distro Forks Are Made The Same - Invidious [4]**
  When we think of a Linux distro fork it's easy to group them all together but not all Linux distro forks are made the same and there's a very important distinction that commonly gets overlooked and that's the repo structure.

- **The BEST LINUX APPS for TAKING NOTES - Invidious [5]** [Ed: Is this a recommendation or paid-for ad (for proprietary software like OnlyOffice)?]
