- [LHS Episode #448: Grounding and Bonding Deep Dive](#) [3]

Hello and welcome to the 448th installment of Linux in the Ham Shack. In this deep dive episode, the hosts invite guest Ward Silver, NOAX, who literally wrote the book on the subject to discuss every aspect of grounding and bonding. Topics range from household electrical safety to relative voltage, earth grounding, lighting mitigation and much more. Hope you find this episode interesting and informative as well as entertaining and also have a great week.

- [WP Briefing: Episode 23: A letter from WordPress? Executive Director](#) [4]

As we greet a new year, WordPress? Executive Director writes a letter to the project and community that speaks to the hopes of the year ahead.
