IDG World Expo, the leading producer of world-class tradeshows, conferences and events for technology markets, today announced that The Linux Professional Institute (LPI), the premier Linux certification organization worldwide (<http://www.lpi.org>), will offer free Linux certification testing at LinuxWorld Conference & Expo(R) in San Francisco, taking place August 8-11, 2005 at Moscone Center West. LPI is the official certification sponsor of LinuxWorld Conference & Expo, offering a standardized, multi-national, and respected program to certify levels of individual expertise in Linux.
