KDE Brainstorm: Get Your Ideas Into KDE

By *srlinuxx*

Created 20/03/2009 - 7:54pm

Submitted by srlinuxx on Friday 20th of March 2009 07:54:23 PM Filed under [KDE](#) [1]

KDE is about the community, rather than the product. It is not all about the code: there are many other ways in which people can be part of KDE, and a very simple way is to connect with other people.

In an effort to bridge the gap between users and developers, the KDE Community Forums have launched a new initiative to coordinate feature requests. A new "Brainstorm" section has been created in the KDE Community Forums: users are encouraged to post requests there.
