What: Gentoo 10 Year Anniversary Party

Where: irc.freenode.net, #gentoo-birthday

When: Sunday, October 04, 2009, in a timezone near you

Introduction:

Gentoo is turning 10 years old. For the last ten years, Gentoo has been committed to bringing the cutting edge source based distro to users that need more flexibility than binary packages can give them. With a vibrant community and over 300 developers, much has been accomplished since the beginning, Gentoo remains true to its origin.

Special Activities:

Join us in the 2009 Screenshot Contest open to both Gentoo Developers and Users.

For more information and to enter your screenshots, visit the 2009 Gentoo Screenshot Contest page.

We are looking for screenshots from Gentoo's beginning, if you have any or know the links please send them to David Abbott. They will not be part of the contest.
