Hey, all --

Just a quick question: How does one report spam? I have something about handbags (Longchamp Bags -- I think the same item is below in this forum) as a comment to my blog item posted by tuxmachines here:

<http://www.tuxmachines.org/node/56956>

While I am grateful for the post, I'm sure that handbags have nothing to do with the blog's subject matter.

Thanks for some guidance on this.
