Piwik 1.8 released

By *finid*

Created *01/06/2012 - 8:15pm*

Submitted by finid on Friday 1st of June 2012 08:15:55 PM Filed under [News](#) [1]

It is an alternative to Google Analytics and from my experience, better in many respects. The latest version, released just today June 1 2012, is Piwik 1.8, and it comes with its share of new and improved features and bugfixes.

This release is rated critical, so if you are running Piwik 1.7.1, the previous stable version, immediate upgrade is highly recommended.
