It's a general matter of course in any given year that as Thanksgiving draws ever closer here in the land of stars and stripes, more than a few Linux bloggers begin to wax sentimental about their favorite operating system, often recounting all the many reasons they're thankful it exists.

It is the start of the season of thankfulness, after all.

Well, perhaps it's the recent presidential elections or -- even more so -- perhaps it's the fact that a sizable part of the country is preoccupied by a desire to divorce Uncle Sam. In any case, this year, the usual pattern doesn't seem to have happened.
