It's been a good year for Linux and open source. As we wind it all down, I wanted to take a moment to have a little bit of fun with traditional holiday song ? ?The Twelve Days of Christmas.? It's a lighthearted way to wrap up some of the things open source (OS) has given us this year.

So, forget the partridges and lords leaping, here we go!

Ahem?

## **On the first day of Christmas?**

OS gave to me, A desktop from a forked tree.
