The specs say it's packed with power, but has CompuLab truly delivered an intense product in such a small package?

Specs

Operating system: Linux Mint

Processor: Intel i7-3517UE, dual core 1.7 GHz

Memory: 8 GB (Upgradeable to 16 GB)

Storage: 500 GB

Power Usage: 10-26W (dependant on load)

Display output: HDMI (bundled with HDMI to DVI adaptor), Display Port

Networking: Wireless N and two Gigabit LAN ports

Price: £630 GBP (\$999 USD)

Website: <http://www.fit-pc.com>

The Intense PC is the latest effort by CompuLab, creators of the Fit-PC and Mint Box, and is another small, all-in-one computer solution that's supposed to be good enough for desktop use, and small enough for use as a Home Theatre PC.
