Although the ?OOo does not print on Tuesdays? OpenOffice.org-bug is long fixed, OpenOffice.org never indemnified Tuesday for its loss in reputation. This is unacceptable and Tuesdays rage at the event has even passed on to its successful successor: LibreOffice.

Now, Tuesday is a weekday and as such, money does not mean that much to it. After some consultation with Tuesday, it was concluded that the only way to indemnify Tuesday was to make the other weekdays suffer the same fate.
