While many are super excited about Wayland and the thought of X11 finally going away in the coming years, some who have been enthusiastic about Wayland/Weston are starting to lose interest. Here's the reasons by one Wayland enthusiast for losing motivation in the project.

Darus, a Wayland enthusiast and Phoronix Forums moderator, shared on the mailing list what killed his motivation to play with Wayland. He was once very involved with the upstream Wayland community, but that's not so much the case anymore. Here's a synopsis of his reasons:
