The Plasma team is meeting in Barcelona, Spain these days to work on the next major version of KDE's popular workspaces. As we are in a transition period, technically and organisationally, this is a very important meeting. I won't go into too many details in this post, as they are still being fleshed out, but to give you an idea what we are talking about, here's a quick run-down of some of the things we talked about.
