Vignoli is one of the founders and a member of the Board of Directors of The Document Foundation, the organization behind LibreOffice, where his duties include marketing and communications as well as being an international spokesperson for the project. Before helping start The Document Project, he spent over six years on the marketing team for OpenOffice.org, which was the original code base for LibreOffice. In other words, this is a guy who knows his stuff and who has ?been there/done that? when it comes to large enterprise level migrations from MS Office to LibreOffice or OpenOffice.
