Sprint LG G2 owners may not have too much longer to wait for Android 4.4.2 to arrive. Sprint has posted details on an upcoming OTA update, which should roll out in stages starting today. The version is ZVB, and it contains little aside from all the delicious goodies that come with KitKat. To clarify, the developers have also packed in a fix for an audio issue with the pre-installed NextRadio app. Yeah, all eyes are on Android 4.4.2 here.
