Red Hat, Inc. (NYSE: RHT), the world's leading provider of open source solutions, today announced that it has won the prestigious Channel Middle East award for 'Software Vendor of the Year' 2014. The award recognizes Red Hat's effective channel strategy and focus to empower its partners and introduce effective programs to drive growth within the channel. The Channel Middle East Awards serve as a platform for honouring companies that are top of their class when it comes to channel development and market expansion in the region.
