The hype is growing for the iPhone 6, and TheStreet jumped on the bandwagon with another silly article about how the iPhone 6 is going to ?demolish Android.? TheStreet essentially claims that a larger screen iPhone 6 will be so good that it will just blow away every Android phone and bring zillions of Android users over to the iPhone. The fanboyish blather in this article reeks of a desperate attempt on TheStreet?s part to gin up page views and ad impressions.
