The Behemoth's long-awaited follow-up to Castle Crashers was BattleBlock Theater--a game that our review says "may have bitten off more than it can comfortably chew." Still, the ambitious platformer is large enough that players can "enjoy its likable, zany sensibilities throughout." After a beta test on PC two months ago, the studio has announced the Steam version will be available to purchase on May 15th.

- [Full Bore Part 2 coming to PC and Linux this month](#) [5]

The second part of Wholehog Games' block puzzler featuring a digging boar, Full Bore: The First Dig, will launch this month for Windows PC and Linux, the developers told Polygon.

- [Beat 'em up Mother Russia Bleeds coming to PC in 2015](#) [6]

Mother Russia Bleeds, an "unrelenting, ultra-violent" beat 'em up set in an alternate 1980s

USSR, will launch for Linux, Mac and Windows PC in 2015, developer Le Cartel recently announced.
