- **Aeon Command Space Strategy Released On Steam For Linux**[2]

  Aeon Command has been on Linux for quite some time now, but it's finally on Steam with hopes of getting more interest. The game is really quite good too, so be sure to check it out.

- **Aeon Command 2D Galactic Battle Game on Steam** [3]

- **Playing Heroes III Natively in Linux with VCMI and GOG Installer**[4]

  VCMI is an ambitious project that aims to recreate the entire Heroes III engine and add new features, and has been in the works for a few years, and up to now it is in good shape.
