- [Trine 2: Complete Story Now on Steam for Linux with an 80% Price Cut](#) [2]

Trine 2: Complete Story, a 2D platformer developed and published by Frozenbyte studio, is now available on Steam for Linux with an 80% discount.

- [Age Of Wonders III Is Still Being Ported To Linux](#) [3]

The Age of Wonders III turn-based strategy game that was released back in March is still in the process of being ported to Linux and OS X. Developers are hopeful this well-received game will be released for the non-Windows platforms later this year.
