Akademy 2014 will kick off on September 6 in Brno, Czech Republic; our keynote speakers will be opening the first two days. Continuing a tradition, the first keynote speaker is from outside the KDE community, while the second is somebody you all know. On Saturday, Sascha Meinrath will speak about the dangerous waters he sees our society sailing into, and what is being done to help us steer clear of the cliffs. Outgoing KDE e.V. Board President, Cornelius Schumacher, will open Sunday's sessions with a talk about what it is to be KDE and why it matters.
