Mark Pilgrim, the writer and programmer behind the Dive Into Mark blog, recently published a list of things he bought this weekend, including a Lenovo (IBM) ThinkCentre M52 with an IBM staff discount. As he notes in his Bye, Apple post:

I actually went to the local Apple store this weekend -- checkbook in hand -- to decide between the new Mac mini, MacBook, and MacBook Pro. I walked out without buying any of them. Bye, Apple. Thanks for the memories.
