One of fresh additions to Debian family, and thus wider FLOSS family is Elena Grandi. She is from realms of Valhalla and is setting her footprint into the community. A hacker mindset, a Free software lover and a 3D printing maker. Elena has big dedication to make the world free and better place for all. She tries to push limits on personal level with much care and love, and FLOSS community will benefit from her work and way of life in future. So what has the Viking lady to say about FLOSS? Meet Elena "of Valhalla" Grandi.
