- [The Linux Foundation Becomes Steward of the Open Networking Summit](#) [2]

If you're able to get to the Silicon Valley area in March, there is a big open networking conference taking shape, with some very talented participants. The Linux Foundation is announcing that the Open Networking Summit (ONS) is becoming a Linux Foundation event, and ONS 2016 will take place March 14-17, 2016 in Santa Clara, Calif.

- [Visualize astrophysics data with Blender](#) [3]

The Blender Conference has become a fantastic showcase not just of attractive art and animation, but also unconventional uses of Blender and open source software.

- [SDN/NFV DevRoom at FOSDEM: Deadline approaching!](#) [4]

We extended the deadline for the SDN/NFV DevRoom at FOSDEM to Wednesday, November 25th recently ? and we now have the makings of a great line-up!
